PARK, DELORAINE, MAN.

I got your letter just as we were starting
 holidays. We went down to Lornum & y.
 have just returned home.
 You will find your garden very different
 when you come back. We did not know
 Mrs. y did not even recognise our own
 little chickens. Everything seems to
 grow so quickly once it starts -
 Glad to hear you are enjoying your
 stay there. I met Mr. Quarry down
 in the city, he was at Yellow Grass
 once was it he? Kind regards
 from my husband - Yours very sincerely
 Howard Owen
